The mission of the Indiana Breast Cancer Awareness Trust, Inc. (IBCAT) is to increase awareness and improve access to breast cancer screening, diagnosis, and support services throughout Indiana. IBCAT receives funds through sales of the breast cancer awareness specialty license plate. Indiana Breast Cancer Awareness Trust plate sales began in January of 2002.

Through these sales, monies are available for grants deemed to best address the project areas listed below. Each Indiana Breast Cancer Awareness plate sold generates a \$25.00 donation. The Indiana Breast Cancer Awareness Trust, Inc. is a 501(C)3 Not for Profit organization incorporated in the State of Indiana.

**We invite you to consider becoming a part of our mission:** Applications are now being accepted. The application is available for download on our website at [BreastCancerPlate.org/programsgrants/grant-programs/](https://BreastCancerPlate.org/programsgrants/grant-programs/)
